# About us

PT. MISAKI RUSTINDO is a company that has been operating in the compressor industry for over 20 years. We have a solid and experienced team, and we are supported by state-of-the-art technology. We are also the official distributor of the Atlas Copco in Indonesia. We are committed to providing our customers with quality products and services. We are also always innovating to keep up with the latest trends. We are excited to expand our business into the oxygen production industry. We believe that our experience in the compressor industry will give us a competitive advantage in this new market. We hope that this Company Profile will provide you with the information you need to learn more about our company. We look forward to building relationships with our partners and customers. Thank you.

## AUTHORIZED DISTRIBUTOR CERTIFICATE

No: 04/DS/DEC/2023

Atlas Copco's Compressor Technique business area provides industrial compressors, vacuum solutions, gas and process compressors and expanders, air and gas treatment equipment and air management systems. The business area has a global service network and innovates for sustainable productivity in the manufacturing, oil and gas, and process industries. Atlas Copco Compressor Technique collaborates with customers to transform industrial ideas into smart connected air and gas solutions and leading edge compressed air technology. Our passionate people, expertise and service bring sustainable value to industries everywhere.

This Certification is granted to
